## GALOMEL WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES

"Dodge's Liver Tone" Is Harmless To  
Clean Your Sluggish Liver  
and Bowels.

Eight Calomel makes you sick. It's  
horrible! Take a dose of the dangerous  
drug tonight and tomorrow you may lose  
a day's work.

Calomel is mercury or quicksilver  
which causes necrosis of the bones.  
Calomel, when it comes into contact  
with sour bile crushes it, breaking  
it up. This is when you feel that awful  
nausea and cramping. If you are slug-  
gish and "all-knocked-out" if your  
liver is torpid and bowels constipated  
or you have headache, dizziness, coated  
tongue, if breath is bad or stomach sour,  
just try a spoonful of harmless Dodge's  
Liver Tone tonight on my guarantee.

Here's my guarantee—Go to any drug  
store and get a 50 cent bottle of Dodge's  
Liver Tone. Take a spoonful and  
if it doesn't straighten you right up  
and make you feel fine and vigorous I  
want you to go back to the store and  
get your money. Dodge's Liver Tone  
is destroying the sale of calomel because  
it is real liver medicine; entirely vege-  
table, therefore it can not salivate or  
make you sick.

I guarantee that one spoonful of Dodge's Liver Tone will set your sluggish  
liver to work and clear your bowels of  
that sour bile and constipated waste  
which is clogging your system and making  
you feel miserable. I guarantee that  
a bottle of Dodge's Liver Tone will  
keep your entire family feeling fine for  
months. Give it to your children. It is  
harmless; doesn't grippe and they like its  
pleasant taste.

### Fireless

Cook Stove Being Demonstrated  
at the Peoples New Furniture  
Store

Mrs. M. C. Miller, of the Toledo  
Cooker company, Toledo, Ohio, is  
giving a demonstration of the "Domestic  
Science" Fireless Cookstove this week at the Peoples New Furniture  
company that is proving highly  
interesting to the ladies of Anderson.

Mr. Miller cooks to perfection a  
steak of beef, bakes chicken, cooks  
vegetables of all kinds, boils a dinner,  
bakes bread, cake, pies—in fact,  
cooks anything and everything, and does  
a great deal better than could be done with a stove because  
food cooked by the stove method  
dries up, evaporates, loses in weight,  
shrinks, loses nourishment, is liable  
to be burnt, scorched, overcooked.

"And," explains Mrs. Miller, "Food  
cooked in a fireless cooker does not  
have to be watched, stirred, blasted—  
nothing disappointing can happen to food  
cooked in a fireless cooker, just place it in  
the cooker and give it no more attention until you serve it—go  
visiting, shopping, do as you please  
—and when you take it out of the  
cooker it is deliciously cooked, hot  
and ready to eat."

Among the things cooked Monday  
were several delightful cakes and  
special today will be crimson rolls.  
Wednesday Mrs. Miller will cook  
Virginia style, a large ham. The  
demonstration will continue through the  
week and the ladies of the city and  
county are cordially invited each day.
